

ANTI MONEY LAUNDERING GUIDELINES.

Please read this document carefully

WHAT WE WILL DO AND REQUIRE FROM YOU.

We require all private individual and limited company applicants, and any guarantors*, to provide evidence of identity at the time of application.

We will endeavour to carry out these checks electronically however, if we are unable to do this, we will need physical proof of identification. If the applicant is a limited company we will also carry out checks to verify the ownership of the limited company. The electronic search that we will carry out on private individual applicants or guarantors* is not a credit search and other organisations will not see that an authentication search has been performed. This type of search will not affect an individual's credit rating.

Photocopy documents must be sent with the application to:

**Precise Mortgages,
PO Box 6037,
Wolverhampton
WV1 9QW.**

If for any reason we require further identification we will let you know.

Photocopies must be certified with the words 'I [full name of certifier] confirm this is an accurate copy of the original' and clearly show the certifying person's full name, and the name of the organisation they represent (if any), together with a signature and dated within the last 3 months (electronic/digital signatures are acceptable providing they are handwritten signatures i.e not a printed name or numeric code).

Documents containing a photograph should also be certified with the words 'and the photo is a true likeness of the person concerned' (unless the applicant(s) have not been seen face to face).
