ID and Residency validation

ID and Residency documents must be certified individually and confirm that they are a true copy of the original and a true likeness of the individual (where applicable), our Anti-Money Laundering Guidelines are available [here](#).

Precise Mortgages retains the right to request original documentation when considered appropriate.

- All ID and Residency documents listed above are true copies of the originals, which I have seen.
- All copies of documents provided are clear and legible.
- If any of the documents display the 16 digit account number of a credit/debit card, these numbers have been blanked out with a black marker pen, prior to submission. This is to safeguard customer payment card data and to fulfil PCI DSS requirements.
