APPLICATION TIPS.

- We will require confirmation of the DMP details from the DMP provider.
- The DMP must be keyed as part of the application process, this can be added into the 'Adverse' page under 'IVA/DMP'. Where a DMP is jointly held, this should only be keyed once.
- If a DMP has been registered on an applicant's credit profile in error, this must be removed prior to submission. If a DMP is sighted our DMP criteria will be applied to the application.
